## Objective

- Create a tool to assist educators and students with Zoom. This tool will connect to the user's computer.

## Education

**COMPUTER ENGINEERING | EXPECTED GRADUATION: FALL 2021 | UNIVERSITY OF UTAH**

- Emphasis: Digital System Design
- Relevant Coursework: Computer Organization, Fundamentals of Engineering Electronics, Computer Systems, Digital System Design, Computer Design Lab
- Cumulative GPA: 3.120

## Work Experience

**SALES ASSOCIATE | THE UPS STORE | APRIL 2019 – OCTOBER 2019**

- Assessed customers' packages to provide affordable and safe shipping options.
- Handled daily store operations such as cash-handling, opening & closing the store, and general upkeep.

**SENIOR PEER ADVISOR | UNIVERSITY OF UTAH | AUGUST 2018 - APRIL 2019**

- Coordinated with my fellow Senior Peer Advisor to create memorable as well as informative meetings for Peer Advisors.
- Spoke to large groups of people to encourage joining and participating in the community of the University of Utah.

**PEER ADVISOR | UNIVERSITY OF UTAH | AUGUST 2017 - APRIL 2018**

- Worked with my assigned professor both inside and outside of the class to encourage students to join and participate in the university's community.

**A/V TECHNICIAN/ BREAKFAST ATTENDANT | UNIVERSITY GUEST HOUSE | MAY 2014 – MAY 2015**

- Prepared and maintained event spaces for visiting companies and organizations.
- Troubleshooted technical problems when they arose in the event spaces.

**STAGEHAND | CORNERSTONE | SEPTEMBER 2012 – SEPTEMBER 2014**

- Assembled large stages for various companies' events.
